Wavefront sensing and control in the VLT/ELT era, 3rd edition

lundi 22 octobre 2018

Wide Field Adaptive Optics - Amphithéâtre Turing (16:40 - 17:40)

-Présidents de session: Chair: T. Morris

time	[id] title	presenter
16:40	[23] Deep observations with an ELT in the Global Multi Conjugated Adaptive Optics perspective	Dr PORTALURI, Elisa
17:00	[24] MAORY LO sensors control strategy and sky coverage assessment	Dr PLANTET, Cedric
17:20	[16] MAVIS AO, promises and challenges	Dr RIGAUT, Francois
