

Planetary Mapping Winter School 2023

lundi 30 janvier 2023

Seminars: Seminars (16:00 - 17:00)

| time | [id] title | presenter |
|-------|---|-------------------|
| 16:00 | [8] Terrestrial and planetary geologic mapping: an overview | MASSIRONI, Matteo |
| 16:30 | [9] Base mapping product generation for autonomous landing | HARE, Trent |

mardi 31 janvier 2023

Seminars: Seminars (16:00 - 16:30)

| time | [id] title | presenter |
|-------|--|------------------|
| 16:00 | [17] Mapping of contractional structures and related landforms | KARAGOZ, Oguzcan |
| 16:15 | [18] Geomorphology on Titan, processing data and mapping | SPAGNUOLO, Mauro |

Seminars: Seminars (16:55 - 17:30)

| time | [id] title | presenter |
|-------|---|------------------------|
| 16:55 | [41] Free Open Source Software (FOSS) Mapping tools and development | Dr FRIGERI, Alessandro |
| 17:10 | [42] Mapping For Mars Surface Missions | Dr CALEF, Fred |

mercredi 1 février 2023

Seminars (16:00 - 17:00)

| time | [id] title | presenter |
|-------|--|------------------------------------|
| 16:00 | [25] Geologic mapping of Apollo landing sites | IQBAL, Wajiha |
| 16:30 | [26] Gemorphological mapping of Valentine Domes, the Moon | SUAREZ VALENCIA, Javier Eduardo |
| 16:45 | [27] Landing site characterisation in the proximity of Marius Hills pit (the Moon) | POZZOBON, Riccardo |

Seminars (17:30 - 18:30)

| time | [id] title | presenter |
|-------|--|-----------------|
| 17:30 | [28] VRGS and digital outcrop mapping. | HODGETTS, David |

jeudi 2 février 2023

Seminars: Seminars (16:00 - 17:00)

| time | [id] title | presenter |
|-------|--|-------------------|
| 16:00 | [33] VR & 3D digital outcrop mapping on Mars Landing Sites | CARAVACA, Gwenael |
| 16:30 | [34] Landing site characterisation on Mars and beyond | PAJOLA, Maurizio |

vendredi 3 février 2023

Seminars: Seminars (09:45 - 10:15)

| time | [id] title | presenter |
|-------|---|--------------|
| 09:45 | [36] Does machine learning mean the end of geological mapping? Well, no actually... | WRIGHT, Jack |

Seminars: Seminars (11:00 - 12:30)

| time | [id] title | presenter |
|-------|--|-------------------|
| 11:00 | [37] Geologic mapping on Venus | D'INCECCO, Piero |
| 11:30 | [38] The PANGAEA geologic field training for astronauts | MASSIRONI, Matteo |
| 12:00 | [39] Landing humans on Mars: characterisation of landing site resources and safety | LUZZI, Erica |
