

International Workshop on Ultracold Group II Atoms

Monday, February 22, 2016

Session 2 (2:30 PM - 4:00 PM)

time	[id] title	presenter
2:30 PM	[13] Studies of Cold strontium atoms in an optical cavity	Dr THOMSEN, Jan W.
3:00 PM	[11] Collective atom counting and first lasing on a millihertz linewidth optical transition	Prof. THOMPSON, James
3:30 PM	[38] Cooperative transmission in an optically dense medium on the strontium intercombination line	Dr WILKOWSKI, david
