

RTC4AO4 : workshop on real-time control for adaptive optics (4th edition)

Monday 19 December 2016

Simulations - Salle du conseil (11:00-12:55)

time	[id] title	presenter
11:05	[20] COMPASS status update and new developments	FERREIRA, Florian
11:30	[21] Real-time Simulation for Adaptive Optics Real-time Control System Development	REEVES, Andrew
11:55	[23] Simulations of using a Laser Guide Star to measure the wavefront in the context of optical communications.	Mrs MARTÍNEZ, Noelia
12:20	[22] AO simulations for pyramid wavefront sensing on the e-elt	DURAND, Sebastien
