

Simulating the evolution and emission of relativistic outflows

jeudi 28 novembre 2019

AGN - Jet models (14:00 - 15:25)

time [id]	title	presenter
14:00	[8] Jet modelling in AGN and preparation of simulations.	SAUTY, Christophe
14:35	[9] GRMHD modelling and radiative transfer	FICHET DE CLAIRFONTAINE, Gaëtan
14:55	[10] A jet model for describing the shadows of Sgr A* and M87*	VINCENT, Frédéric
