

Simulating the evolution and emission of relativistic outflows

Thursday, November 28, 2019

AGN - Emission models (3:25 PM - 3:55 PM)

time	[id] title	presenter
3:25 PM	[M1] Emission modelling with stratified jets	HENRI, Gilles

AGN - Emission models (4:25 PM - 5:15 PM)

time	[id] title	presenter
4:25 PM	[M2] Time-dependent modeling of the blazar flares	DMYTRIEV, Anton
4:45 PM	[M3] Linking high-energy emission with radio-VLBI jets	HERVET, Olivier

Friday, November 29, 2019

AGN - Emission models (9:30 AM - 10:00 AM)

time	[id]	title	presenter
9:30 AM	M4	Hadronic emission modelling and multi-messengers	Dr CERRUTI, Matteo
