

Simulating the evolution and emission of relativistic outflows

vendredi 29 novembre 2019

GRB - Emission models (10:30 - 11:00)

time [id]	title	presenter
10:30 [16]	Internal shock scenario for GRBs	DAIGNE, Frédéric

GRB - Emission models (11:30 - 12:20)

time [id]	title	presenter
11:30 [17]	Emission modelling at very high energies	BOSNJAK, Zeljka
12:00 [22]	Relativistic ejections from binary neutron star mergers.	DUQUE, Raphaël
