## Simulating the evolution and emission of relativistic outflows

## vendredi 29 novembre 2019

## X-ray/gamma-ray binaries - jet and emission models (14:00 - 15:20)

time [id] title	presenter
14:00 [20] The iInternal shock model applied to X-ray binaries.	MALZAC, Julien
14:30 [21] An Accretion-Ejection Paradigm for Compact Objects	PETRUCCI, Pierre-Olivier
15:00 [27] Dynamical effects of radiative losses in high-mass microquasars	CHARLET, Arthur
